

# General Purpose Latex Gloves

## General Purpose Latex Gloves

- PUNCTURE RESISTANT
- NON-STERILE
- AMBIDEXTROUS
- BEADED CUFF

MedPride General Purpose Latex Gloves are made from natural rubber latex with low protein content and are crafted with strength and elasticity for support and comfort. The gloves are smooth, ambidextrous and versatile for various applications. Latex gloves are the best at conforming to the shape of your hand and providing the tactile sensitivity needed for most tasks. Gloves are disposable and designed for single use only.

- General purpose natural latex gloves are ideal for all non-medical uses.
- Ideal for many uses including cleaning, pet care and other home and office tasks.
